Systemen VESTA by Climax - Centrales

Referentie	Artikel	Afbeelding	Omschrijving	Prijs (€)
VESTA-067	BOGP-3-2G		VESTA by Climax compact 50-zone radio control panel. Compatible with all 868-F1 RF devices (2km in open field). 2G connectivity (GPRS). Sending reports via CID / SIA, Email, SMS and Push. Configuration by smarthomesec APP or via the built-in keyboard. LCD screen for viewing status and settings. Up to 6 users. It incorporates a 100dB siren. It works with alkaline batteries type D (included). Autonomy of up to 1.4 years. EN50131 Grade 2	Prijs op aanvraag
VESTA-046	HSGW-G8-2G-F1-ZW		Central IP Ethernet + 2G home security for 160 zones via radio. Supports RF 868-F1 and Z-Wave devices. TCP / IP and 2G connectivity (optional WiFi spike). Bidirectional RF up to 2 km. Comprehensive solution with remote administration. Home automation and live supervision. 2 partitions. Sending reports via CID / SIA, Email, SMS and Push. IOS and Android app and web browser. EN50131 Grade 2 Certificate, Environmental Class II. Compatible with Google Home and Alexa.	Prijs op aanvraag
VESTA-066	HSGW-G8-3G-F1-868-ZW-DT-18		160-zone home security central via radio with IP connectivity Ethernet + 3G (it only works with alarm.com). Supports RF 868-F1 and Z-Wave devices. TCP / IP connectivity and 3G module of alarm.com (optional WiFi spike). Bidirectional RF up to 2 km. Comprehensive solution with remote administration. Home automation and live supervision. 2 partitions. Sending reports via CID / SIA, Email, SMS and Push. IOS and Android app and web browser. EN50131 Grade 2 Certificate, Environmental	Prijs op aanvraag
VESTA-068	BOGP-3-4G		VESTA by Climax compact 50-zone radio control panel. Compatible with all 868-F1 RF devices (2km in open field). 4G (LTE) connectivity. Sending reports via CID / SIA, Email, SMS and Push. Configuration by smarthomesec APP or via the built-in keyboard. LCD screen for viewing status and settings. Up to 6 users. It incorporates a 100dB siren. It works with alkaline batteries type D (included). Autonomy of up to 1.4 years. EN50131 Grade 2	Prijs op aanvraag
VESTA-047	HSGW-G8-4G-F1-ZW		Central IP Ethernet + 4G home security 160 zones via radio with 4G connectivity. Supports RF 868-F1 and Z-Wave Devices. TCP / IP and 4G connectivity (optional WiFi spike). Bidirectional RF up to 2 km. Comprehensive solution with remote administration. Home automation and live supervision. 2 partitions. Sending reports via CID / SIA, Email, SMS and Push. IOS and Android app and web browser. EN50131 Grade 2 Certificate, Environmental Class II. Compatible with Google	Prijs op aanvraag
VESTA-111	HYBRID-2G		Compatible with all 868-F1 RF devices (2km in open field). 2G connectivity (GPRS). IP communications (Ethernet). 16 wired zones expandable to 64. Up to 320 zones (wired + via radio). Up to 8 areas. Up to 320 users. 1 PGM output. Up to 4 VESTA-114 keyboards. Configuration by APP smarthomesec or via the VESTA-114 keyboard. EN50131 Grade 3. Compatible with Google Home and Alexa.	Prijs op aanvraag
VESTA-111-NIMH	HYBRID-2G		Hybrid control panel with up to 320 VESTA By Climax zones. Compatible with all 868-F1 RF devices (2km in open field). 2G connectivity (GPRS). IP communications (Ethernet). 16 wired zones expandable to 64. Up to 320 zones (wired + via radio). Up to 8 areas. Up to 320 users. 1 PGM output. Up to 4 VESTA-114 keyboards. Configuration by APP smarthomesec or via the VESTA-114 keyboard. NIMH VESTA-214 battery recommended (not included). EN50131 Grade 3. Compatible	Prijs op aanvraag
VESTA-112	HYBRID-4G		Compatible with all 868-F1 RF devices (2km in open field). 4G (LTE) connectivity. IP communications (Ethernet). 16 wired zones expandable to 64. Up to 320 zones (wired + via radio). Up to 8 areas. Up to 320 users. 1 PGM output. Up to 4 VESTA-114 keyboards. Configuration by APP smarthomesec or via the VESTA-114 keyboard. EN50131 Grade 3. Compatible with Google Home and Alexa.	Prijs op aanvraag

Systemen VESTA by Climax - Kits

Referentie	Artikel	Afbeelding	Omschrijving	Prijs (€)
<u>VESTA-001</u>	VESTA-001		VESTA by Climax kit consisting of: 1x VESTA-046 Security Central (HSGW-G8-2G-F1-ZW) of 160 radio areas with IP + 2G and Grade 2 connectivity; 1x PIR detector via radio VESTA-009 (IR-29SL-F1) with Grade 2; 1x Magnetic contact via radio VESTA-013 (MDC-3-F1) with Grade 2; 1x VESTA-014 4-button radio button (RC-16-F1) with Grade 2. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-139</u>	VESTA-139		VESTA by Climax kit consisting of: 1x VESTA-046 (HSGW-G8-2G-F1-ZW) IP Ethernet + 2G security control panel with 160 radio zones, Grade 2; 1x PIR detector via radio VESTA-009 (IR-29SL-F1) with Grade 2; 1x VESTA-013 (MDC-3-F1) magnetic contact via radio with Grade 2; 1x VESTA-014 (RC-16-F1) 4-button radio push button with Grade 2; 1x IPC-C22EP-IMOU IP compact camera with WIFI and IR illumination of 10 m for indoors. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-138</u>	VESTA-138		VESTA by Climax kit consisting of: 1x VESTA-046 (HSGW-G8-2G-F1-ZW) IP Ethernet + 2G security control panel with 160 radio zones, Grade 2; 1x PIR detector via radio VESTA-009 (IR-29SL-F1) with Grade 2; 1x VESTA-013 (MDC-3-F1) magnetic contact via radio with Grade 2; 1x VESTA-014 (RC-16-F1) 4-button radio push button with Grade 2; 1x IPC-A22EP-V2-IMOU compact IP camera with WIFI and IR illumination of 10 m for indoors. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-117</u>	VESTA-117		VESTA by Climax kit consisting of: 1x VESTA-066 security center of 160 zones via radio with IP + 3G connectivity (it only works with alarm.com) and Grade 2; 1x PIR detector via radio VESTA-009 (IR-29SL-F1) with Grade 2; 1x Magnetic contact via radio VESTA-013 (MDC-3-F1) with Grade 2; 1x VESTA-014 4-button radio button (RC-16-F1) with Grade 2. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-054</u>	VESTA-054		VESTA by Climax kit consisting of: 1x VESTA-046 Security Central (HSGW-G8-2G-F1-ZW) of 160 radio areas with IP + 2G and Grade 2 connectivity; 3x PIR detectors via VESTA-009 radio (IR-29SL-F1) with Grade 2. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-056</u>	VESTA-056		VESTA by Climax kit consisting of: 1x VESTA-046 Security Central (HSGW-G8-2G-F1-ZW) of 160 radio areas with IP + 2G and Grade 2 connectivity; 1x PIR detector via radio VESTA-009 (IR-29SL-F1) with Grade 2; 1x Magnetic contact via radio VESTA-013 (MDC-3-F1) with Grade 2; 1x VESTA-014 4-button radio button (RC-16-F1) with Grade 2; 1x PRO DAHUA-2617-FO series IP bullet camera (IPC-HFW1235S-W-S2) with WIFI and 30 m IR lighting for outdoor use. Compatible with Google	Prijs op aanvraag
<u>VESTA-057</u>	VESTA-057		VESTA by Climax kit consisting of: 1x VESTA-046 Security Central (HSGW-G8-2G-F1-ZW) of 160 radio areas with IP + 2G and Grade 2 connectivity; 1x PIR detector via radio VESTA-009 (IR-29SL-F1) with Grade 2; 1x Magnetic contact via radio VESTA-013 (MDC-3-F1) with Grade 2; 1x VESTA-014 4-button radio button (RC-16-F1) with Grade 2; 1x DAHUA-2316-FO PRO Series IP Fixed Dome (IPC-HDBW1235E-W-S2) with WIFI and 30 m IR lighting for outdoor use. Compatible with	Prijs op aanvraag

<u>VESTA-002</u>	VESTA-002		VESTA by Climax Kit consisting of: 1x IP Central Ethernet + 4G security VESTA-047 (HSGW-G8-4G-F1-ZW) of 160 zones via radio, Grade 2; 1x PIR detector via radio VESTA-009 (IR-29SL-F1) with Grade 2; 1x VESTA-013 Magnetic Contact via radio (MDC-3-F1) with Grade 2; 1x VESTA-014 (RC-16-F1) 4-button radio button with Grade 2. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-058</u>	VESTA-058		VESTA by Climax kit consisting of: 1x VESTA-046 Security Central (HSGW-G8-2G-F1-ZW) of 160 radio areas with IP + 2G and Grade 2 connectivity; 2x PIRCAM detectors via radio VESTA-008 (VST-862-F1) with Grade 2. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-160</u>	VESTA-160		VESTA by Climax kit composed of: 1x Central IP Ethernet + 2G security VESTA-046 (HSGW-G8-2G-F1-ZW) with 160 zones via radio and Grade 2. 2x PIRCAM detector via radio VESTA-096 (VST-862 P-F1) with Grade 2. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-135</u>	VESTA-135		VESTA by Climax kit composed of: 1x VESTA-046 (HSGW-G8-2G-F1-ZW) IP Ethernet + 2G security panel with 160 radio zones, Grade 2. 1x VESTA-011 keyboard (KP-39B-F1). 2x VESTA-009 (IR-29SL-F1) wireless PIR detectors with Grade 2. 1x VESTA-013 (MDC-3-F1) wireless magnetic contact with Grade 2. 1x VESTA-014 (RC) 4-button radio switch -16-F1) with Grade 2. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-137</u>	VESTA-137		VESTA by Climax kit consisting of: 1x VESTA-046 (HSGW-G8-2G-F1-ZW) IP Ethernet + 2G security control panel with 160 radio zones, Grade 2; 1x PIR detector via radio VESTA-009 (IR-29SL-F1) with Grade 2; 1x VESTA-013 (MDC-3-F1) magnetic contact via radio with Grade 2; 1x VESTA-014 (RC-16-F1) 4-button radio push button with Grade 2; 1x PRO DAHUA-2650-FO (IPC-K22) compact IP camera with WIFI and IR illumination of 10 m for indoors. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-055</u>	VESTA-055		VESTA by Climax kit consisting of: 1x VESTA-047 Security Center (HSGW-G8-4G-F1-ZW) of 160 radio areas with IP + 4G and Grade 2 connectivity; 3x PIR detectors via VESTA-009 radio (IR-29SL-F1) with Grade 2. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-097</u>	VESTA-097		VESTA by Climax kit consisting of: 1x IP Central Ethernet + 2G security VESTA-046 (HSGW-G8-2G-F1-ZW) of 160 zones via radio, Grade 2. 1x keyboard with proximity reader VESTA-012 (KPT-39N-F1). 2x PIR detectors via radio VESTA-009 (IR-29SL-F1) with Grade 2. 1x Magnetic contact via radio VESTA-013 (MDC-3-F1) with Grade 2. 1x Radio button with 4 buttons VESTA-014 (RC -16-F1) with Grade 2. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-133</u>	VESTA-133		VESTA by Climax kit composed of: 1x VESTA-046 (HSGW-G8-2G-F1-ZW) IP Ethernet + 2G security control panel with 160 zones via radio, Grade 2. 2x PIR detectors via radio VESTA-009 (IR-29SL -F1) with grade 2. 1x VESTA-011 (KP-39B-F1) radio keyboard. 1x PIRCAM detector via radio VESTA-096 (VST-862 P-F1) with grade 2. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-059</u>	VESTA-059		VESTA by Climax kit consisting of: 1x VESTA-047 Security Center (HSGW-G8-4G-F1-ZW) of 160 radio areas with IP + 4G and Grade 2 connectivity; 2x PIRCAM detectors via radio VESTA-008 (VST-862-F1) with Grade 2. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-159</u>	VESTA-159		VESTA by Climax kit composed of: 1x Central IP Ethernet + 4G security VESTA-047 (HSGW-G8-4G-F1-ZW) of 160 zones via radio, Grade 2. 2x PIRCAM detector via radio VESTA-096 (VST-862 P-F1) with Grade 2. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-100</u>	VESTA-100		VESTA by Climax kit consisting of: 1x VESTA-047 (+ HSGW-G8-4G-F1-ZW) 160 zone wireless IP Ethernet + 4G security central station. 1 keyboard with VESTA-012 proximity reader (KPT-39N-F1). 2x PIR detectors via radio VESTA-009 (IR-29SL-F1) with Grade 2. 1x Magnetic contact via radio VESTA-013 (MDC-3-F1) with Grade 2. 1x Radio button with 4 buttons VESTA-014 (RC -16-F1) with Grade 2. Compatible with Google Home and Alexa.	Prijs op aanvraag

<u>VESTA-121</u>	VESTA-121		VESTA by Climax kit composed of: 1x VESTA-046 (HSGW-G8-2G-F1-ZW) with 160 radio zones, Grade 2. 1x VESTA-011 (KPT-39B-F1). 2x VESTA-008 (VST-862-F1) with Grade 2. 1x VESTA-013 (MDC-3-F1) with Grade 2. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-122</u>	VESTA-122		VESTA by Climax kit composed of: 1x VESTA-046 (HSGW-G8-2G-F1-ZW) with 160 radio zones, Grade 2. 1x VESTA-011 (KPT-39B-F1). 2x VESTA-008 (VST-862-F1) with Grade 2. 1x VESTA-009 (IR-29SL-F1) with Grade 2. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-134</u>	VESTA-134		VESTA by Climax kit composed of: 1x VESTA-046 (HSGW-G8-2G-F1-ZW) security IP Ethernet + 2G control panel with 160 zones via radio, Grade 2. 1x VESTA-013 (MDC-3) magnetic contact via radio -F1) with Grade 2. 1x VESTA-011 (KP-39B-F1) radio keypad. 2x PIR detector via radio VESTA-096 (VST-862 P-F1) with grade 2. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-098</u>	VESTA-098		VESTA by Climax kit consisting of. 1x VESTA-046 (HSGW-G8-2G-F1-ZW) IP Ethernet + 2G security panel with 160 radio zones, Grade 2. 1x VESTA-012 (KPT-39N-F1) keypad with proximity reader. 2x VESTA-008 (VST-862-F1) wireless PIRCAM detectors with Grade 2. 1x VESTA-009 (IR-29SL-F1) wireless PIR detector with Grade 2. 1x VESTA-014 (RC) 4-button radio push-button -16-F1) with Grade 2. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-099</u>	VESTA-099		VESTA by Climax kit consisting of. 1x IP Central Ethernet + 2G security VESTA-046 (HSGW-G8-2G-F1-ZW) of 160 zones via radio, Grade 2. 1x keyboard with proximity reader VESTA-012 (KPT-39N-F1). 2x PIRCAM detectors via radio VESTA-008 (VST-862-F1) with Grade 2. 1x Magnetic contact via radio VESTA-013 (MDC-3-F1) with Grade 2. 1x Radio button 4-button VESTA-014 (RC -16-F1) with Grade 2. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-123</u>	VESTA-123		VESTA by Climax kit composed of: 1x VESTA-047 (HSGW-G8-4G-F1-868-ZW-DT-18) with 160 radio zones, Grade 2. 1x VESTA-011 (KPT-39B-F1). 2x VESTA-008 (VST-862-F1) with Grade 2. 1x VESTA-013 (MDC-3-F1) with Grade 2. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-124</u>	VESTA-124		VESTA by Climax kit composed of: 1x VESTA-047 (HSGW-G8-4G-F1-868-ZW-DT-18) with 160 radio zones, Grade 2. 1x VESTA-011 (KPT-39B-F1). 2x VESTA-008 (VST-862-F1) with Grade 2. 1x VESTA-009 (IR-29SL-F1) with Grade 2. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-101</u>	VESTA-101		VESTA by Climax kit consisting of. 1x Central IP Ethernet + 4G security VESTA-047 (HSGW-G8-4G-F1-ZW) of 160 zones via radio, Grade 2. 1x keyboard with proximity reader VESTA-012 (KPT-39N-F1). 2x PIRCAM detectors via radio VESTA-008 (VST-862-F1) with Grade 2. 1x PIR detector via radio VESTA-009 (IR-29SL-F1) with Grade 2. 1x 4-button radio button VESTA-014 (RC -16-F1) with Grade 2. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-102</u>	VESTA-102		VESTA by Climax kit consisting of. 1x Central IP Ethernet + 4G security VESTA-047 (HSGW-G8-4G-F1-ZW) of 160 zones via radio, Grade 2. 1x keyboard with proximity reader VESTA-012 (KPT-39N-F1). 2x PIRCAM detectors via radio VESTA-008 (VST-862-F1) with Grade 2. 1x Magnetic contact via radio VESTA-013 (MDC-3-F1) with Grade 2. 1x Radio button 4-button VESTA-014 (RC -16-F1) with Grade 2. Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-120</u>	VESTA-120		Kit VESTA by Climax composed by: 1x IP Ethernet Panel + 4G VESTA-047 security (HSGW-G8-4G-F1-ZW) of 160 zones via radio, Grade 2; 2x PIRCAM detectors via radio VESTA-008 (VST-862-F1) with Grade 2 ; 1X smart electronic lock for apartments SALTO-001 (D0ZE2); 1 cilinder adapter EU SALTO-005 (DCSLAE). Compatible with Google Home and Alexa.	Prijs op aanvraag
<u>VESTA-215</u>	DEMO CASE		VESTA By Climax briefcase demo kit consisting of :. 1x HSGW-G4: IP Ethernet + 4G control panel for home security with 160 zones via radio; Grade 2. 1x VESTA-012 (KPT-39N-F1); Keypad with proximity reader. 1x VESTA-025 (TSP-3); 7 "touch radio keypad. 1x VESTA-109 (VDP-3); Video intercom with 2MP camera and bidirectional audio. 1x VESTA-024 (VST-862EX-F1); Detector Outdoor PIR cam via radio; Grade 2. 1x VESTA-008 (VST-862-F1); PIRCAM detector via radio; Grade	Prijs op aanvraag

Systemen VESTA by Climax - Bediendelen

Referentie	Artikel	Afbeelding	Omschrijving	Prijs (€)
VESTA-014	RC-16-F1		VESTA by Climax 4-button radio button. Arm / disarm, start and panic. Cover to prevent unintentional use. Suitable for security and home automation. Powered by 1 3V CR2032 lithium battery. 8 year battery life. UL1023	Prijs op aanvraag
VESTA-017	RC-15-F1-W		VESTA by Climax 4-button radio button. White color. Arm / Disarm, Partial Arm, and Panic. Powered by 1 3V CR2032 lithium battery. 7 year battery life. Low battery detection. EN50131 Grade 2	Prijs op aanvraag
VESTA-018	RC-15-F1-B		VESTA by Climax 4-button radio button. Black color. Arm / Disarm, Partial Arm, and Panic. Powered by 1 3V CR2032 lithium battery. 7 year battery life. Low battery detection. EN50131 Grade 2	Prijs op aanvraag
VESTA-144	RC-16-F1-2W		VESTA by Climax 4-button bidirectional radio button. Armed / disarmed, start and panic. Cover to prevent inadvertent use. Suitable for security and home automation. It works with 1 CR2032 3V lithium battery. 8 year battery life. UL1023. EN50131 Grade 2, ClassII	Prijs op aanvraag
VESTA-152	RC-29-F1		Remote radio button for instant control of the VESTA By Climax security system. Four buttons: Arm / Disarm / Start / Panic Alert. Durable and scratch resistant buttons. Low battery detection. The LED serves as an indicator of the transmission status. Portable keychain design. Easy to use and intuitive. Long duration battery. Suitable for security and home automation installations	Prijs op aanvraag
VESTA-038	PB-15-F1		VESTA by Climax wireless panic button. Panic button. Periodic supervision. Powered by 1 3V CR123 lithium battery. Battery life of more than 20 years. Low battery detection. IP64 degree of protection	Prijs op aanvraag
VESTA-029	WTRQ-F1		VESTA by Climax emergency transmitter. It can be used as a pendant or bracelet. LED indicator. Periodic supervision. It works with 1 3V CR2032 battery. 10 year battery life	Prijs op aanvraag
VESTA-039	PB-23-F1		VESTA by Climax wireless panic button. Oversized panic button. Periodic supervision. Powered by 1 3V CR123 lithium battery. 9 year battery life. Low battery detection. Protection degree IP66	Prijs op aanvraag
VESTA-010	KP-15-F1		VESTA by Climax radio keyboard. Backlight keyboard. 4 keys for special functions. Tamper proof. Powered by 1 3V CR2450 lithium battery. 6 year battery life	Prijs op aanvraag
VESTA-237	KP-23B		VESTA By Climax smart radio remote keypad. 16 backlit keys for optimal night use. Power saving: consumes power only when in operation. Low battery detection. Protection against tampering and unauthorized removal. Dual key function to activate panic, fire or medical alarm. Two-way radio communication. Compact, low-profile design. Meets CE requirements. EN50131 Grade 2 certificate. Environmental class II	Prijs op aanvraag

NEW

<u>VESTA-011</u>	KP-39B-F1		VESTA by Climax radio keyboard. Backlight keyboard. Panic, fire and medical emergency keys. Tamper proof. Powered by 1 3V CR123 lithium battery. 10 year battery life. EN50131 Grade 2 Certificate, Environmental Class II	Prijs op aanvraag
<u>VESTA-153</u>	KPT-23N-F1		Remote keypad with siren and VESTA By Climax proximity reader. 16 backlit keys for optimal night visibility. Allows user to arm / disarm the security system by simply sliding RFID or NFC key fobs. Supports up to 30 RFID or NFC key fobs. Power saving function: consumes power only when in operation. Dual key function to activate panic, fire or medical alarms. Protection against tampering and unauthorized removal. Low battery detection. Wide range of RF communication. faster	Prijs op aanvraag
<u>VESTA-012</u>	KPT-39N-F1		VESTA by Climax radio keyboard with proximity reader. Panic, fire and medical emergency keys. RFID and NFC reader. Powered by 1 3V CR123 lithium battery. 6 year battery life. Complies with UL1023	Prijs op aanvraag
<u>VESTA-033</u>	TG-15N-F1		VESTA by Climax outdoor proximity reader. Integrates NFC proximity tags. Arming / disarming the system. Tamper proof. It works with 1 AA 1.5V lithium battery. Battery life of 6.8 years	Prijs op aanvraag
<u>VESTA-050</u>	VRA-P2-F1		VESTA by Climax radio panic button with voice recognition (English). Oversized panic button. Voice recognition alarm (HELP). It works with 2 3V alkaline batteries. 1 year battery life	Prijs op aanvraag
<u>VESTA-114</u>	KP-35-COMBO		Wired keyboard for VESTA By Climax hybrid system. Up to 4 keyboards per system. 4 wires via RS485, up to 150 meters. For programming VESTA-111, VESTA-112 and VESTA-113 hybrid control panels	Prijs op aanvraag
<u>VESTA-125</u>	KPT-35 COMBO		Wired keypad with proximity reader for VESTA By Climax hybrid system. Up to 4 keyboards per system. 4 wires via RS485, up to 150 meters. For programming VESTA-111, VESTA-112 and VESTA-113 hybrid control panels	Prijs op aanvraag
<u>VESTA-150</u>	KPT-32N		Remote keypad with siren and VESTA By Climax proximity reader. Allows arming / disarming / arming at home, manually or by swiping the RFID key fob. Supports up to 100 RFID key fobs. Dual function key buttons activate panic, fire or medical emergency alarms. Standby mode for energy saving. 14-button backlit keyboard for optimal nighttime visibility. Built-in siren for audible notification. Protection against tampering and unauthorized removal. Wide range of RF communication and	Prijs op aanvraag
<u>VESTA-025</u>	TSP-3		7 "VESTA by Climax keyboard via touch radio. 2MP camera and talk-listen. WiFi 802.11b / g / n, 2.4GHz. Home automation capabilities. Powered by USB 5V DC. Backup battery 3.7V	Prijs op aanvraag
Systemen VESTA by Climax - Detectoren				
Referentie	Artikel	Afbeelding	Omschrijving	Prijs (€)
<u>VESTA-157</u>	TS-29-F1		VESTA By Climax temperature sensor. Temperature detection range from -10 ° C to 50 ° C. Provides notification when the temperature fluctuates by ± 2 ° C. Regular transmission of temperature signals in the designated interval. Excellent stability with high sensitivity. Low battery detection. LED indicator. Slim and compact design	Prijs op aanvraag

NEW

<u>VESTA-201</u>	SVGS-1-F1		Shock sensor and glass breakage. Detects a major shock attack and glass breakage. F1 RF technology accelerates the transmission speed of the signal, increases the communication range and reduces power consumption. Adjustable sensitivity threshold levels: low, medium, high. Via radio for easy installation. Works on any glass surface. Low battery indicator. Modern and discreet design. LED indicator. Periodic monitoring signals to check the integrity of the system. Suitable	Prijs op aanvraag
<u>VESTA-013</u>	MDC-3-F1		VESTA by Climax radio magnetic contact. It allows the creation of security and home automation scenes. Tamper proof. Powered by 1 3V CR2450 lithium battery. 8 year battery life	Prijs op aanvraag
<u>VESTA-105</u>	MDC-3-F1-BROWN		VESTA by Climax magnetic contact via radio. Allows creation of security and home automation scenes. Tamper proof. It works with 1 CR2450 3V lithium battery. 8 year battery life. Brown color. EN50131 Grade 2, Class II	Prijs op aanvraag
<u>VESTA-031</u>	RDC-1-F1		Magnetic via recessed radio. Door / window opening / closing supervision. LED indicator for failure and test. Powered by 1 3V CR2 lithium battery. 10 year battery life	Prijs op aanvraag
<u>VESTA-006</u>	OPDC-1-F1		Door / window magnet via radio. IR detection of opening and closing of doors / windows. Tamper proof. Compact and slim design. Powered by 1 AAA 1.5V alkaline battery	Prijs op aanvraag
<u>VESTA-199</u>	DC-16SL-F1		VESTA By Climax magnetic contact. Long duration battery. High speed signal transmission. Compatible with F1 control panels. Powered by pre-installed lithium batteries for easy installation. Mounted on door or window frames. Compact and slim design. Tamper protection to prevent unauthorized removal, sabotage, or an unstable installation. Random monitoring signals for system integrity checks and troubleshooting. Low battery detection. The power magnet	Prijs op aanvraag
<u>VESTA-085</u>	SDC-1		Magnetic door / window contact from Vesta by Climax. Monitors unauthorized opening and closing of doors or windows. Ultra-thin design at just 4mm thick. Discreet mounting on doors and windows. Powered by a pre-installed long-lasting battery. Minimum energy consumption. Higher signal transmission speed, reliability and improved communication range. Supervisory signals ensure proper operation. Low battery detection. Simple and flexible radio installation.	Prijs op aanvraag
<u>VESTA-019</u>	DC-23-F1		Magnetic contact via radio. 28mm GAP. It works as a universal transmitter. Tamper proof. Powered by 1 3V CR123 lithium battery. 10 year battery life. EN50131 Grade 2	Prijs op aanvraag
<u>VESTA-126</u>	DC-23-F1 BROWN		Magnetic contact via radio. 28mm GAP. It works as a universal transmitter. Tamper proof. It works with 1 3V CR123 lithium battery. 10-year battery life. Brown color. EN50131 Grade 2	Prijs op aanvraag
<u>VESTA-200</u>	DC-15SL-2W		VESTA By Climax magnetic contact. Supervises the opening and closing of doors, windows, cabinets and drawers. Built-in extension terminal for greater flexibility in adding hardwired detectors. It works as a universal transmitter. Random supervisory signals to verify system integrity. The LED serves as a test and fault mode indicator. Via radio for easy installation. Wide range of RF communication and faster signal transmission. Protection against manipulation. Low battery	Prijs op aanvraag
<u>VESTA-158</u>	TAS-9E-F1		VESTA By Climax temperature sensor. Excellent stability with high sensitivity. Two-pin terminal to connect the external probe. Internal temperature sensor: activates alerts when the temperature rise is greater than 35 ° C / 24 ° C and / or falls below 7 ° C. External temperature sensor: activates alerts when the temperature rise is higher than -12 ° C / 6 ° C and / or falls below 7 ° C. Detects temperatures from -10 ° C to + 50 ° C. Four selectable temperature change ranges for	Prijs op aanvraag

NEW	<u>VESTA-202</u>	IR-29-F1		VESTA By Climax PIR detector via radio. 12 meter detection range with 110 ° angle. Powered by alkaline batteries. Microprocessor controlled with advanced ADSP algorithms for false alarm immunity. Super speed signal transmission. Panel support F1. Two selectable sensitivity levels. Surface or corner mounting with anti-tamper or pull-out protection. Optional mounting accessory: swivel bracket. Random monitoring signals for system integrity checks and troubleshooting. Meets	Prijs op aanvraag
	<u>VESTA-051</u>	IRC-29-F1		Radio curtain PIR detector. Coverage up to 10 meters, 10 ° x110 °. It can be installed on the ceiling. Tamper proof. Powered by 1 3V CR123A lithium battery. 5 year battery life	Prijs op aanvraag
	<u>VESTA-034</u>	GDTS-1-F1		Tilt sensor VESTA by Climax for garage. Alerts the system to inclinations of > 45 °. Supports rules and scenes for automation. Tamper proof. Powered by 1 3V CR123A lithium battery. 10 year battery life	Prijs op aanvraag
	<u>VESTA-040</u>	SVGS-5-F1		Vibration and glass break detector. Detects large impacts or accumulation of minor impacts. Three levels of sensitivity threshold. It works with 3 3V CR2477 lithium batteries. 5.5 year battery life	Prijs op aanvraag
NEW	<u>VESTA-203</u>	IRP-29-F1		PIR detector via radio VESTA By Climax with anti-pets. 12 meter detection range with 110 ° angle. Detects motion using passive infrared technology. Microprocessor controlled with advanced adaptive digital signal processing (ADSP) algorithms for false alarm immunity. Immunity to pets up to 27 kg. Two selectable sensitivity levels. Wall or corner mounting. Random supervisory signals for system integrity. High immunity to false alarms. Low battery detection. Fast signal transmission and	Prijs op aanvraag
NEW	<u>VESTA-205</u>	HD-9-F1		VESTA By Climax thermal-thermovelocimetric detector. Alarm for rate of increase of 8.3 ° C per minute or when exceeding 57 ° C. High stability and sensitivity. Regular monitoring to verify the integrity of the system. Low battery warning. Test button to test functions. Built-in siren for audio alerts. Siren power of 95dB at 1 meter.	Prijs op aanvraag
	<u>VESTA-136</u>	IRP-29-F1		VESTA by Climax PIR detector via radio. 12 meter coverage, 110 °. Long Range RF F1. 2 levels of sensitivity. Includes corner joint. It works with 3 lithium batteries CR123A of 3V. 5-year battery life. EN50131 Grade 2, Environmental Class II	Prijs op aanvraag
	<u>VESTA-015</u>	IRD-23SL-F1		VESTA by Climax ceiling PIR detector. Ø8 meter coverage, 360 °. 2 levels of sensitivity. ADSP microprocessing. Tamper proof. Powered by 1 3V CR123A lithium battery	Prijs op aanvraag
	<u>VESTA-022</u>	SD-8EL-F1		VESTA by Climax radio smoke detector. Reflective photoelectric sensor. It incorporates an 85dB siren at 3 meters. It works with 3 AA alkaline batteries. Battery life of 4.5 years. EN14604 certified	Prijs op aanvraag
	<u>VESTA-009</u>	IR-29SL-F1		PIR detector via radio VESTA by Climax. 12 meter coverage, 110 °. 2 levels of sensitivity. Includes corner ball joint. Powered by 3 x 3V CR123A lithium batteries. 5 year battery life. EN50131 Grade 2, Environmental class II	Prijs op aanvraag
NEW	<u>VESTA-223</u>	LMHT-3-F1		VESTA By Climax light detector with temperature and humidity sensor. Measure and report variations in light intensity. Detects temperatures from -10 ° C ~ 50 ° C. Humidity range of 0 ~ 100% RH. Periodic broadcasts at 30-33 minute intervals or when the temperature changes by ± 2 ° C, the humidity changes by ± 10% RH or the current lighting changes by ± 10%. Allows home automation and security systems to turn lights and appliances on / off according to ambient light levels.	Prijs op aanvraag

<u>VESTA-060</u>	DCSV-23-F1		Magnetic + shock and vibration detector VESTA by Climax. Supervises opening / closing of doors. It works on glass, wood and safety boxes. Tamper proof. Powered by 1 3V CR123 lithium battery. 6 year battery life	Prijs op aanvraag
<u>VESTA-037</u>	ACGS-23-F1		Acoustic glass break detector VESTA by Climax. 8 meter radius coverage. Four levels of sensitivity. Periodic supervision. Tamper proof. Powered by 1 3V CR123A lithium battery	Prijs op aanvraag
<u>VESTA-026</u>	WLS-23-F1		VESTA by Climax radio flood detector. Wired water probe. It incorporates an 85dB siren. Periodic supervision. Powered by 1 3V CR123 lithium battery. Battery life of more than 10 years. Protection degree IP55	Prijs op aanvraag
<u>VESTA-023</u>	SD-29-F1		PIR + fire detector via VESTA radio by Climax. Photoelectric + thermovolumetric sensor. PIR detector of Ø8 meters. Light for creating scenes. Works with 3 3V CR123 lithium batteries. Battery life of 10 years	Prijs op aanvraag
<u>VESTA-016</u>	IRM-23-F1		VESTA by Climax dual technology radio detector. Adaptive detection range of 3 to 12 meters. 110 ° detection angle. It combines a PIR sensor with a 10.525GHz microwave sensor. It activates alarms only when the detector's PIR and microwave sensors are activated. Wide RF range. Fast signal transmission. Advanced adaptive digital signal processing (ADSP) algorithms. High immunity to RFI / EMI. Long duration battery. Automatic energy saving mechanism. Low battery	Prijs op aanvraag
<u>VESTA-221</u>	SD-29-HME-SC-F1		VESTA By Climax multifunctional smoke and heat detector. It incorporates a PIR sensor, a temperature sensor and an emergency light. Reflective photoelectric sensor to detect smoke from any source, especially smoldering fires. Detection of heat rise when the temperature exceeds 57.25 ° C or increases 8.25 ° C per minute. Self-calibration every month to readjust the detection threshold value. Self-diagnosis function to ensure optimal performance. 85dB siren for audible alert.	Prijs op aanvraag
<u>VESTA-151</u>	IRMP-23-F1		VESTA by Climax dual technology radio detector. 12 meter coverage, 110 °. Microwave frequency 10,525GHz. Anti-pets up to 27 kg. Tamper proof. Powered by 2 1.5V alkaline batteries	Prijs op aanvraag
<u>VESTA-204</u>	CO-8-P2-F1		VESTA By Climax carbon monoxide detector. Electrochemical sensor to control the level of CO. Self-diagnosis function to ensure optimal performance. Loud 85dB siren for audio alert. Alarm silence button to silence nuisance alarms. Excellent stability with high sensitivity. Wide RF range and high speed data transmission. Minimal power consumption with long battery life. Two-color LED status indicator for visual notification. Low battery detection. Random supervisory signals	Prijs op aanvraag
<u>VESTA-036</u>	EIR-32-F1		PIR detector via outdoor radio VESTA by Climax. 10 meter, 90 ° coverage. Pet 30/40/60 kg. Anti-masking and tamper-proof tamper. It works with 2 1.5V L91 lithium batteries. 5 year battery life. Protection degree IP55	Prijs op aanvraag
<u>VESTA-096</u>	VST-862P-IL-ALK		VESTA by Climax PIR cam radio detector. PIR coverage of 10 meters, 90 °. Camera: 640x480 @ 3ips, 320x240 @ 3 / 6ips. 102 ° wide angle optics. LED IR lighting. Pet-proof up to 27 kg. It works with 2 AA batteries. Includes corner joint. EN50131 Grade 2, ClassII	Prijs op aanvraag
<u>VESTA-211</u>	VST-892-IL ALK		PIRCAM Vesta By Climax detector for interior. Detection range of 10 meters, 90 °. Advanced dynamic speed adjustment algorithms to maintain image transfer rate based on signal quality. Installation height of 2.3 ~ 2.5 meters. Anti-pets up to 20 kg / 50 cm. Detection without blind spots. Remotely adjustable sensitivity. Three alarm image processing options: VGA one color (640x480), QVGA three color (320x240), QVGA six color (320x240). Image delivery on demand. Antimasking	Prijs op aanvraag

<u>VESTA-008</u>	VST-862-IL-F1-ALK		PIR cam radio detector VESTA by Climax. PIR coverage of 10 meters, 90 °. Camera: 640x480 @ 3ips, 320x240 @ 3 / 6ips. 102 ° wide angle lens. IR illumination. Powered by 2 x 1.5V alkaline batteries. Includes corner ball joint	Prijs op aanvraag
<u>VESTA-062</u>	9458U		Dual technology curtain detector with F1 VESTA by Climax compatible wireless transceiver. 8 meter range, 30 °. 24 GHz microwave frequency. Relay output and tamper. Low consumption.	Prijs op aanvraag
<u>VESTA-063</u>	9456		Dual technology curtain detector with F1 VESTA by Climax compatible wireless transceiver for outdoor use. 12-meter range, 75 °. 24 GHz microwave frequency, and working mode. Relay output and tamper. IP54. Low consumption.	Prijs op aanvraag
<u>VESTA-154</u>	EIRC-1-F1		VESTA By Climax dual technology detector. Passive infrared motion detection and microwave technology. Curtain detection pattern. Microprocessor controlled with advanced adaptive digital signal processing (ADSP) algorithms. Two selectable sensitivity levels. High immunity to false alarms. Automatic energy saving system. Automatic sensitivity control with temperature compensation. Anti-masking and tampering protection. Random supervisory signals for system integrity.	Prijs op aanvraag
<u>VESTA-007</u>	VST-862-IL-F1		PIR cam radio detector VESTA by Climax. PIR coverage of 10 meters, 90 °. Camera: 640x480 @ 3ips, 320x240 @ 3 / 6ips. 102 ° wide angle lens. IR lighting. Powered by 3 x 3V CR123A lithium batteries. Includes corner ball joint	Prijs op aanvraag
<u>VESTA-032</u>	SDCO-F1		Smoke and CO detector via radio VESTA by Climax. Combined smoke and carbon monoxide sensor. Powered by 3 x 3V CR123A lithium batteries. 10 year battery life. EN14604 and EN50291	Prijs op aanvraag
<u>VESTA-210</u>	VST-892-EXC-IL		Vesta By Climax curtain PIRCAM detector for outdoor use. Detects motion using PIR technology with curtain detection pattern. Vertical / horizontal curtain detection pattern. Change the detection pattern by changing the direction of the PIR lens. 12 meter detection range. The horizontal detection pattern provides anti-pets up to 60 kg / 75 cm. Advanced dynamic speed adjustment algorithms to maintain image transfer rate based on signal quality. Three alarm image processing	Prijs op aanvraag
<u>VESTA-024</u>	VST-862EX-F1		VESTA by Climax outdoor radio PIR cam detector. 10 meter, 90 ° coverage. Two levels of sensitivity. Camera: 640x480 @ 3ips, 320x240 @ 3 / 6ips. 102 ° wide angle lens. IR lighting of 7 meters. Anti-pets up to 27 kg. Tamper proof. It works with 4 L91 1.5V lithium batteries. 5 year battery life	Prijs op aanvraag

Systemen VESTA by Climax - Toebehoren en Sirenes

	<u>VESTA-235</u>	VESTA-235		White replacement housing for BX-32 sirens from VESTA By Climax	Prijs op aanvraag

NEW

<u>VESTA-231</u>	VESTA-231		Replacement white housing for VESTA By Climax BX-23 sirens	Prijs op aanvraag
<u>VESTA-064N</u>	VESTA-064N		Special adapter to add WIFI connectivity to HSGW VESTA By Climax control panels. 150Mbps Wireless N Nano USB. Design so small that once connected you can leave it in the USB port. Fast transmission speed of up to 150Mbps, ideal for video streaming or internet calls. Advanced security: Supports 64/128 WEP, WPA, PA2 / WPA-PSK / WPA2-PSK (TKIP / AES). Get connected immediately with the installation utility in 14 languages	Prijs op aanvraag
<u>VESTA-094</u>	PDEIR32000		Outdoor swivel bracket. Compatible with VST-862EX outdoor PIR motion sensor camera. Rotate horizontally to provide optimal coverage (not compatible with pet immunity when VST-862EX is tilted). Easy to use and install design.	Prijs op aanvraag
<u>VESTA-213</u>	ROTATING BRACKET C		Swivel bracket VESTA By Climax. For the VESTA-210 detector. Rotating angle: 30 ° vertical	Prijs op aanvraag
<u>VESTA-064</u>	WIFI DONGLE		VESTA by Climax WiFi Dongle. It allows equipping the centrals with WiFi connectivity through the USB port. Up to 200 meters. USB 2.0	Prijs op aanvraag
<u>VESTA-148</u>	GEN-TX-F1		F1 868MHz radio transmitter. The transmitter is installed inside the detector. It allows sending RF signals via radio to the control panel. Learn / test button. LED indicator. Sends low battery signals. It transmits periodic supervisory signals. Easy installation	Prijs op aanvraag
<u>VESTA-045</u>	ZIGBEEDONGLE		ZigBee VESTA by Climax Dongle. It allows equipping the centrals with ZigBee connectivity through the USB port. ZigBee Profile: Home Automation 1.2. Up to 200 meters. USB 2.0, virtual COM FTDI port	Prijs op aanvraag
<u>VESTA-155</u>	DIO-52-F1		VESTA by Climax 1 digital input / output module card. Integrate wired devices into wireless networks. NO / NC inputs. Power supply: 5V ~ 12V DC. Backup battery: 3 CR123 batteries or 2 L91 AA batteries, not included. Battery life of 4.7 years (CR123), 3.5 years (L91). Does not include box	Prijs op aanvraag
<u>VESTA-110</u>	UT-15SL-F1		VESTA By Climax universal transmitter with long battery life. Detects activation of a connected wired device, including door contact, PIR or PIRcam detector, smoke detector, or panic button. Compact and slim design for easy mounting. Low battery detection. Random monitoring signals for trouble-free system integrity check. Tamper protection protects against unauthorized removal, sabotage, or unstable installation. Grade 2	Prijs op aanvraag
<u>VESTA-216</u>	SSL-F1		Vesta By Climax status indicator. Two-color LED status indicator. The LED functions as a network indicator. Communication technology F1. Regular supervision signals ensure the correct operation of the device. The function button can be pressed to send supervisory signals or reset the device. Low battery detection. Easy to install. CE compliance	Prijs op aanvraag
<u>VESTA-219</u>	HR-8-F1		VESTA By Climax hybrid receiver compatible with the F1 system. Receives signals from learned devices and indicates Alarm / Low Battery / Tamper / Supervisory states. Programmable alarm / fault / tamper output. Simple and intuitive way to verify the integrity of the system. Wide compatibility with various medical and safety devices. It allows to learn up to 10 devices. Programmable latch / pulse output type. LED indicator	Prijs op aanvraag

<u>VESTA-030</u>	RP-29-F1		VESTA by Climax radio extender / repeater. Extends the communication range between the sensors and the Control panel. Rechargeable backup battery. Tamper proof. Includes 220V power supply. Grade 2	Prijs op aanvraag
<u>VESTA-020</u>	BX-23-F1		Outdoor siren via radio VESTA by Climax. Sound power of 107dB at 1 meter. Four volume levels. Tamper proof. It works with 4 1.5V alkaline batteries. Protection degree IP56. EN50131-4 / EN50131-5-3 Grade 2, Environmental class IV	Prijs op aanvraag
<u>VESTA-119</u>	BX-23-F1-ORANGE		VESTA by Climax outdoor siren via radio. Orange pilot. Sound power of 107dB at 1 meter. Four volume levels. Tamper tamper. It works with 4 alkaline batteries of 1,5V. Degree of protection IP56. EN50131-4 / EN50131-5-3 Grade 2, Environmental Class IV	Prijs op aanvraag
<u>VESTA-207</u>	BX-23B-DS-AC		VESTA by Climax outdoor siren via radio. Sound power of 107dB at 1 meter. Adjustable volume by DIP switch. Tamper tamper. It works with 4 alkaline batteries of 1,5V or from alternating current. Degree of protection IP56. EN50131-4 / EN50131-5-3 Grade 2, Environmental Class IV	Prijs op aanvraag
<u>VESTA-109</u>	VDP-3		VESTA by Climax video intercom. Built-in motion sensor to detect irregular movements or presence. 1920x1080 image resolution. Built-in IR LEDs for night vision. Wide angle lens up to 174 °. The built-in speaker and microphone provide two-way voice. Infrared motion detection range: 5 meters at 105 °. Small and slim design to easily fit the door frame. Replace existing doorbell without requiring special tools. Ideal for residential and commercial premises	Prijs op aanvraag
<u>VESTA-156</u>	NEBULAVESTA		Safety smoke generator for VESTA By Climax system. System composed of a single body with DIO-52 interface. Ideal to saturate an environment of approximately 150 m³. The smoke generated is certified non-toxic *. Installation without electrical connections. Battery life of up to 4 years **. 4-year capsule shelf life. Piezoelectric siren with programmable duration. 360 ° adjustable nozzle. Exit hole with anti-screw template. Smoke cartridge with security systems. NYLON shell filled with GLASS	Prijs op aanvraag
<u>VESTA-198NL</u>	VESTA-198NL		Vesta by Climax product POS display (does not include products). Ideal for points of sale. Products are not included. Images of the products in real size, which allows to fix the products physically. Dimensions: 1250 (W) x 1750 (H) mm	Prijs op aanvraag
Systemen VESTA by Climax - Z-wave producten				
Referentie	Artikel	Afbeelding	Omschrijving	Prijs (€)
<u>VESTA-206</u>	PRL-3ZW		VESTA By Climax relay controller Z-Wave protocol. Automate home pool covers, gas valves, water valves or sprinkler systems, etc. Provides radio operation of any device controllable by a SPDT relay. It allows integrating relay activation events in other home automation activities. One relay contact and one dry contact. Screw terminals for easy and secure installation. It works with a low voltage DC power supply (5 or 12 ~ 24 volts) or an AC power supply (110 ~ 230	Prijs op aanvraag

NEW

<u>VESTA-169</u>	PRL-1ZW-AC		Z-Wave relay controller. Automate home pool covers, gas valves, water valves or sprinkler systems, etc. Provides radio operation of any device controllable by a SPDT relay. It allows integrating relay activation events in other home automation activities. A relay contact. A dry contact. It works with an AC power supply (110V ~ 230V). The LED confirms the operation and connectivity of the Z-Wave network. It works as a Z-Wave repeater. <u>Easy installation. CE compliance</u>	Prijs op aanvraag
<u>VESTA-162</u>	PRS2-ZW		Power relay switch. It connects directly to the power cord. It works as a Z-Wave repeater. Small and compact profile for flexible installation. LED status indicator. Allows relay activation events to be integrated into other home automation activities, scenes, or schedules. Firmware upgrade capability over the air (OTA). Extension terminal for connecting an external switch. Function button for manual operation. <u>Compatible with Z-Wave systems from other manufacturers.</u>	Prijs op aanvraag
<u>VESTA-168</u>	SCS-1ZW		VESTA By Climax motorized blind control switch. Adjust motorized roller blinds remotely and manually. No wiring for quick and easy installation. The LED indicator light makes it easy to find in the dark. Suitable for motorized roller blinds, window shades, indoor / outdoor blinds and garage doors. <u>Compatible with Z-Wave systems from other manufacturers. For inside use only. CE compliance</u>	Prijs op aanvraag
<u>VESTA-043</u>	WSS-4E-ZW		VESTA by Climax programmable stage switch. Four stage conditions. Expand your home automation options. Bidirectional communication. It works with 2 3V AA alkaline batteries. 2 year battery life	Prijs op aanvraag
<u>VESTA-163</u>	PRS5-ZW		Z-Wave Power Relay Switch. Allows you to control lights and appliances remotely. With built-in terminal leads and splice connectors to prevent short circuits or electrocution. It can function as a Z-Wave repeater (optional). Firmware upgrade capability over the air (OTA). Extension terminal to connect to an external switch. LED status indicator. Flexible installation in ceilings or wall switch boxes. <u>Enable smart home security systems according to schedules, scenes, and timer settings.</u>	Prijs op aanvraag
<u>VESTA-140</u>	PRL-8ZW		Z-Wave relay controller with Z-Wave Plus 500/700 module. Remotely automate pool covers, gas / water valves or sprinkler systems, etc. It provides via radio to any device controllable by a SPDT relay. The function button allows the relay to be manually switched on / off. Relay contact and dry contact. IP44 grade. Double as a Z-Wave repeater. Antenna for optimal radio performance. Strain relief clamp to secure cables and provide protection against metal cutting. It allows integrating	Prijs op aanvraag
<u>VESTA-053</u>	LMHT-1ZW		Light detector with humidity and temperature sensor VESTA by Climax. Monitoring of visible light sources. It incorporates a temperature and humidity sensor. Powered by 1 3V CR123A lithium battery. 2 year battery life	Prijs op aanvraag
<u>VESTA-106</u>	PRM2-ZW		Relay switch for power meter. Remotely turn on / off the appliance. Built-in power meter to measure and report energy consumption history during the day / week / month. It works like a Z-Wave repeater. Allows relay trigger events to be integrated into other home automation activities, scenes, or schedules. Connects directly to power cord in junction box, or ceiling / wall outlets. <u>Compatible with Z-Wave systems from other manufacturers. Regular monitoring signals to verify the</u>	Prijs op aanvraag
<u>VESTA-167</u>	SCM-5ZW		VESTA By Climax motorized blinds control. Remote control of motorized blinds. Suitable for motorized roller blinds, window shades, blinds, projection screen, awning, pergola, garage doors or gates. Two motor outputs for automatic and remote control. Two local switches for optional manual control. Periodic monitoring signals to check the integrity of the system. Zero crossing detection to prevent sparks. With built-in cable terminals and clamps to prevent short circuits or electrocution	Prijs op aanvraag
<u>VESTA-042</u>	PSM-29-ZW		VESTA by Climax switch / power meter. Allows remote devices to be activated / deactivated through the web or app. Allows scenes for automation. It incorporates a power and consumption meter. <u>Compatible with third-party Z-Wave devices</u>	Prijs op aanvraag
<u>VESTA-052</u>	POVS-ZWAVE		VESTA by Climax occupancy / vacancy PIR sensor. Detects movement using PIR. 360 ° rotation with magnetic base. Integrated temperature and light sensors. Powered by 1 3V CR123A lithium battery. 4 year battery life	Prijs op aanvraag

VESTA-171	TRV-1ZW		Z-Wave thermostat. Automatic on / off control of the radiator valve according to temperature settings. The LCD screen displays the temperature, time, mode, and alerts. Antifreeze function when the ambient temperature drops below 5 ° C. Anticalcification with weekly opening / closing of the radiator valve. Boost function to temporarily speed up the heating process. Detect a sudden drop in temperature and adjust the settings accordingly to maintain the ideal room temperature.	Prijs op aanvraag
VESTA-041	RS-23-ZW		VESTA by Climax temperature and humidity sensor. Send temperature and humidity reports to the control panel every ten minutes. -10 ° C ~ + 50 ° C, 0% ~ 95% RH. It works with 2 3V AA alkaline batteries. 2.8 year battery life	Prijs op aanvraag
VESTA-170	PRLM-CH3-ZW		Relay Controllers / 3-Channel Z-Wave Relay Switch. Automate home pool covers, gas valves, water valves or sprinkler systems, etc. Provides wireless operation of three separate devices controllable by one SPDT relay. It allows integrating relay activation events in other home automation activities. It works with a low voltage AC or DC power source. Firmware upgrade capability over the air (OTA). Strain relief clamp for electrical integrity, performance and safety. LED indicator. It	Prijs op aanvraag
VESTA-044	UPIC-5-ZW		VESTA by Climax universal IR remote control. It allows to control up to five devices at a distance of up to 14 meters. Unify control of devices. It works with 2 1.5V lithium batteries. 1 year battery life	Prijs op aanvraag
VESTA-104	TMST-15ZW		Z-Wave smart thermostat. 2 button design for simplified and easy use. Simple and intuitive programming interface. Cool mode: activates cooling when the temperature rises above the cooling set point (between 11 ° C ~ 32 ° C). Heat mode: activates heating when the temperature drops below the heat set point (between 9 ° C ~ 30 ° C). Remote connectivity allows easy management via PC, smartphone, and tablets. Indoor Air Quality Support - Easy integration for humidification.	Prijs op aanvraag
VESTA-220	GDC-3		Z-Wave VESTA By Climax garage door control. Allows you to open or close the garage door remotely. Tamper protection (with Tilt-GDC3). Alarm volume adjustment. LED status indicator. Suitable for residential and commercial premises. Reports the status of the garage door movement (with Tilt-GDC3). The built-in siren provides audible alarm beeps. Supports SmartStart. Easy and flexible installation	Prijs op aanvraag
VESTA-115	AQS-1ZW		VESTA By Climax smart air quality detector (PM2.5). Track home air quality. Accurate reading of PM2.5 particles, temperature and humidity. Automation of other connected devices. Notifications and personalized alerts. Historical day / week / month data. Via radio with signal supervision. Z-Wave protocol. 868MHz frequency. Sleek, modern design with multi-color lighting at night. For inside use only	Prijs op aanvraag
VESTA-172	AQS-2-ZW		VESTA By Climax intelligent air quality (CO2) detector. Track home air quality. Accurate reading of temperature, humidity and CO2 gas. Automation of other connected devices. Notifications and personalized alerts. Historical day / week / month data. Via radio with signal supervision. Z-Wave protocol. 868MHz frequency. Sleek, modern design with multi-color lighting at night. For inside use only	Prijs op aanvraag
VESTA-116	AQS-3ZW		Smart air quality detector (PM2.5 and CO2) VESTA By Climax. Track home air quality. Accurate reading of PM2.5 particles, temperature, humidity and CO2 gas. Automation of other connected devices. Notifications and personalized alerts. Historical day / week / month data. Via radio with signal supervision. Z-Wave protocol. 868MHz frequency. Sleek, modern design with multi-color lighting at night. For inside use only	Prijs op aanvraag

Systemen VESTA by Climax - ZigBee devices

Referentie	Artikel	Afbeelding	Omschrijving	Prijs (€)
VESTA-181	PRL-1ZBS-AC		ZigBee relay controller. Automate home pool covers, gas valves, water valves or sprinkler systems, etc. Provides radio operation of any device controllable by a SPDT relay. It allows integrating relay activation events in other home automation activities. A relay contact. A dry contact. It works with an AC power supply (110V ~ 230V). The LED confirms the operation and connectivity of the ZigBee network. It works as a ZigBee repeater. Easy installation. CE compliance	Prijs op aanvraag

NEW

VESTA-174	PRS2-ZBS		Power relay switch. It connects directly to the power cord. Controlled by ZigBee for home automation systems. Wide range of communications. Extension terminal for connecting an external switch. Function button for local operation. LED status indicator. Compatible with other manufacturers' ZigBee systems	Prijz op aanvraag
VESTA-180	SCS-1ZBS		VESTA By Climax motorized blind control switch. Adjust motorized roller blinds remotely and manually. No wiring for quick and easy installation. The LED indicator light makes it easy to find in the dark. Suitable for motorized roller blinds, window shades, indoor / outdoor blinds and garage doors. Compatible with ZigBee systems from other manufacturers. Requires roller shutter control (SCM-1ZBS). For inside use only. CE compliance	Prijz op aanvraag
VESTA-190	PRM2-ZBS		Power Relay Controller / Power Meter Switch. Built-in power meter to measure and report energy consumption. Allows devices to be turned on / off remotely. Easy installation. Compact design Slim in size. Controlled by ZigBee for home automation systems. It can be controlled remotely or manually. Wide range of communications. Status indicator LEDs. Compatible with ZigBee products from other manufacturers. Extension terminals for connection to external switches	Prijz op aanvraag
VESTA-175	PRS5-ZBS		ZigBee Power Relay Switch. Allows you to control lights and appliances remotely. With built-in terminal leads and splice connectors to prevent short circuits or electrocution. It can function as a ZigBee repeater (optional). Firmware upgrade capability over the air (OTA). Extension terminal to connect to an external switch. LED status indicator. Flexible installation in ceilings or wall switch boxes. Enable smart home security systems according to schedules, scenes, and timer settings.	Prijz op aanvraag
VESTA-191	PRL-8ZBS		Relay controller. Remotely automate pool covers, gas / water valves or sprinkler systems, etc. It provides via radio to any device controllable by a SPDT relay. The function button allows the relay to be manually switched on / off. One set of relay contact and one set of dry contact. OTA firmware upgrade capability. IP44 protection. Status LED indicator. Strain relief clamp secures cables and provides protection against metal cuts. Wiring buckle used to manage cables. It	Prijz op aanvraag
VESTA-187	WSS-4E-ZBS		Smart programmable stage switch. Facilitates the use of 4 pre-programmed stage conditions. Two-way communication. Compatible with any Zigbee network and device. The LED indicator light makes it easy to find in the dark. No wiring required. Quick and easy installation. Simple and modern style. For inside use only. CE / FCC compliance	Prijz op aanvraag
VESTA-179	SCM-5-ZBS		VESTA By Climax motorized blinds control. Remote control of motorized blinds. Suitable for motorized roller blinds, window shades, blinds, projection screen, awning, pergola, garage doors or gates. Two motor outputs for automatic and remote control. Two local switches for optional manual control. Periodic monitoring signals to check the integrity of the system. Zero crossing detection to prevent sparks. With built-in cable terminals and clamps to prevent short circuits or electrocution	Prijz op aanvraag
VESTA-185	LMHT-1ZBS		Light detector with temperature and humidity sensor. Measure and report variations in light intensity regularly. Detects temperatures from -10 °C ~ + 50 °C. Humidity range from 0 to 100%. Periodic broadcasts at 10 minute intervals or when the temperature changes ± 2 °C, the humidity changes to 10% relative humidity. Allows home automation and security systems to turn lights and appliances on / off according to ambient light levels. Incorporates infrared and ultraviolet ray	Prijz op aanvraag
VESTA-178	SCM-8-ZBS		VESTA By Climax remote controller for motorized blinds. Strain relief clamp secures cables and offers protection against metal cuts. Zero crossing detection to prevent sparks. 1/2 hp for a wide range of implementations. IP44 waterproof standard for outdoor use. Two motor outputs for automatic and remote control. Two local switches for optional manual control. Enable smart home security systems to raise / lower blinds according to custom schedules and scenes. It can be managed via an	Prijz op aanvraag
VESTA-186	PSM-29ZBS		Power meter / plug switch. Allows you to remotely turn on / off an appliance. Built-in power meter to measure and generate energy history during the day / week / month. Allows home automation and security systems to turn appliances on / off according to custom times and scenes. It can be controlled remotely or manually. Compatible with ZigBee systems from other manufacturers. The LED serves as an indicator of the system status. BS1363-1 / BS1363-2. EN61058. VDE0620.	Prijz op aanvraag
VESTA-183	TRV-1ZBS		ZigBee thermostat. Automatic on / off control of the radiator valve according to temperature settings. The LCD screen displays the temperature, time, mode, and alerts. Antifreeze function when the ambient temperature drops below 5 °C. Anticalcification with weekly opening / closing of the radiator valve. Boost function to temporarily speed up the heating process. Detect a sudden drop in temperature and adjust the settings accordingly to maintain the ideal room temperature.	Prijz op aanvraag

VESTA-189	TMST-2ZBS		Zigbee smart thermostat. 4 button design for easy use. Works with any ZigBee connected home system. Simple and intuitive programming interface. Remote connectivity enables easy remote management from PCs, smartphones, and tablets. Applications may include the control of gas / oil boiler systems, electric heating, and zoning systems with or without dampers. Temperature Conversion Calculator for Fahrenheit and Celsius. +5 °C ~ +30 °C set point range in 0.1 °C	Prijs op aanvraag
VESTA-184	RS-23-ZBS		ZigBee temperature sensor. Excellent stability with high sensitivity. Detects temperature from -10 °C ~ + 50 °C. Relative humidity range from 0 to 95%. Reports collected data every 10 minutes or when temperature changes ± 2 °C and / or humidity changes to 10% relative humidity. Designed for home automation and security applications. The elegant and super compact design can be perfectly combined with any decoration. Low battery detection. Easy switch between	Prijs op aanvraag
VESTA-182	PRLM-CH3-AC-ZBS		ZigBee 3-Channel Relay Controllers / Relay Switch. Automate home pool covers, gas valves, water valves or sprinkler systems, etc. Provides wireless operation of three separate devices controllable by one SPDT relay. It allows integrating relay activation events in other home automation activities. It works with a low voltage AC power source. Firmware upgrade capability over the air (OTA). Strain relief clamp for electrical integrity, performance and safety. LED indicator. Periodic	Prijs op aanvraag
VESTA-173	RSB-1ZBS		RGBW smart bulb. Allows users to remotely control their lighting. High definition RGBW (red, green, blue and white) colors with 16 million color combinations, from warm white to cool daylight. Allows the home automation system to dim or turn lights on / off based on scenes and schedules. It uses less energy and lasts longer than the incandescent bulb. Suitable for security and home automation. Compatible with ZigBee systems from other manufacturers. Supervisory signal to	Prijs op aanvraag
VESTA-188	UPIC-5-ZBS		Wireless infrared universal remote control. Remotely control up to five devices. Works with air conditioners and A / V systems. LED indicator. Long duration battery. Low battery detection. Wireless for easy installation. Automatic energy saving mechanism	Prijs op aanvraag

VESTA-193	MOBILE LITE- R3-QT		4G / LTE personal locator. Portable locator for protection both indoors and outdoors. Built-in fall detection. Location coordinates visible on the Climax platform and online application "My GPS Alert". Long duration battery. Wide range of full-duplex two-way voice communication. Remote programming. Improved location accuracy with GPS and Wi-Fi technologies. Integration of emergency pendants / wrist transmitters. Remote firmware update. Geofence alerts can be	Prijs op aanvraag
VESTA-192	CTC-1052-QT-DT35A		LTE medical alarm panel. VoLTE (voice over LTE). Remote programming and local programming software. Compatible with AT&T / Verizon / T-Mobile. Voice messages update via OTA. Voice prompts: learning sensor instructions, emergency events, on / inactivity timer status. Compatible with medicine dispenser. Alarm reports via GPRS, SMS or voice. Two-way hands-free voice communication. Integrate multiple devices / sensors: wrist transmitter, emergency pendant, drop sensor.	Prijs op aanvraag
VESTA-069	GX-3-CAT1		Vesta by Climax Smart Care medical alarm solution. Communication Path Options: IP (Ethernet), LTE/3G/2G. Built-in Module: RF. Protocol Module options: Zigbee, Bluetooth. Support external antenna capability. Support multiple Communication protocols with Monitoring Centers for alarm reporting. Voice over Internet Protocol (VoIP) capabilities. 24/7 Environment Emergency Monitoring. Compatible with Bluetooth Low Energy (BLE) medical devices. Supports Pivottell®	Prijs op aanvraag
VESTA-071	MX-8		Vesta by Climax Smart Care MX medical alarm solution. RF and DECT module. Frequencies: RF: 868 MHz. Communication: IP (Ethernet), 4G, 3G, LTE. Communication protocols with the Supervision Centers: Contact ID, SIA, Social. Attention Alarm Internet Protocol (SCAIP). Alarm reports through 4G / 3G / LTE. World-class certified RF range and two-way voice quality - Supports multiple reporting methods, including voice mode. Voice prompt function.	Prijs op aanvraag

VESTA-083	GX-8-CAT1		Vesta by Climax Smart Care medical alarm solution. Communication Path Options: IP (Ethernet), LTE/3G/2G. Built-in Module: RF, DECT. Protocol Module options: Zigbee, Bluetooth. Support external antenna capability. Support multiple Communication protocols with Monitoring Centers for alarm reporting. Voice over Internet Protocol (VoIP) capabilities. 24/7 Environment Emergency Monitoring. Compatible with Bluetooth Low Energy (BLE) medical devices.	Prijs op aanvraag
VESTA-073	Mobile Mates-R15-BASE 5		VESTA by Climax Mobile Mates R15 Base 5 Smart Care System. Emergency reports through LTE. Built-in high sensitivity microphone and powerful 3W speaker. User-friendly cover for the GPS tracker slot. RF device integration. Voice messages. Remote firmware update. GPS and WiFi location technologies. Fall detection	Prijs op aanvraag
VESTA-074	Mobile Mates-R15+Base-8-LTE		VESTA by Climax Mobile Mates R15 Base 8 Smart Care System. Emergency reports through LTE. Communication: IP (Ethernet), PSTN. Built-in module: RF, Bluetooth. Built-in high sensitivity microphone and powerful 3W speaker. User-friendly cover for the GPS tracker slot. RF device integration. Voicemail. Home automation capacity. Remote firmware update. GPS and WiFi location technologies. Fall detection	Prijs op aanvraag
VESTA-070	GX-1-CUBIC2-EX-ZB		Vesta by Climax Smart Care medical alarm solution. RF module. Frequencies: RF: F1 869MHz / F1 433MHz / F1 919MHz. Zigbee protocol. Smart home automation. Speech recognition. Location tracking. Pivotell® Advance automatic pill dispenser. Voice over Internet Protocol (VoIP). Visual supervision and verification. Inactive security monitoring. Color lighting function. Winner of the German INNOvation Award of Excellence 2019	Prijs op aanvraag

Medisch alarm VESTA by Climax - Accessoires

Referentie	Artikel	Afbeelding	Omschrijving	Prijs (€)
VESTA-077	VESTA-077		Cover kit (any color) for VESTA-075 (WRTZ)	Prijs op aanvraag
VESTA-076	VESTA-076		White Cover Kit for VESTA-075 (WRTZ)	Prijs op aanvraag
VESTA-078	WTRS2		Pendant / Bracelet with panic and emergency alarm button from VESTA by Climax. One-click bracelet / necklace switch. Wireless, compact and lightweight. LED indicator. Minimum energy consumption. Low battery detection. IP68 waterproof and dustproof standard	Prijs op aanvraag
VESTA-196	GPT-3-FS		Panic and emergency alarm pendant. Alert when resident moves out of pre-set location. Emergency panic alarm button. Built-in accelerometer for movement. IP45 waterproof protection. Via radio, small and light. Used as a necklace pendant. Periodic monitoring signals to check the integrity of the system. LED indicator	Prijs op aanvraag
VESTA-075	WTRZ		VESTA by Climax wrist transmitter and pendant with emergency button. Cover suitable for the disabled. The button allows for easier accessibility by requiring light pressure of the emergency pendant against a wall, floor, table, or chair. Additional useful support for the elderly, disabled or children. Versatile, easy to use and interchangeable. Durable, fully waterproof and lightweight	Prijs op aanvraag
VESTA-093	PCU-3		VESTA by Climax emergency cord. White cord with handle at the end. For indoor installation. Wall or ceiling mounting. Low battery consumption. It requires little maintenance. 24-hour monitoring broadcast. Low battery detection. LED indicator. Via radio for easy installation.	Prijs op aanvraag

NEW

VESTA-197	GPT3-WTRSB		Panic and Emergency Alarm Wrist / Pendant Transmitter. Alert when resident moves out of pre-set location. Emergency panic alarm button. It is used as a necklace or doll pendant. IP67 waterproof protection. Via radio, small and light. Powered by a replaceable battery. Periodic monitoring signals to check the integrity of the system. LED indicator	Prijs op aanvraag
VESTA-194	FALL SENSOR-3-F1B		VESTA by Climax user drop sensor in collar format. Activates the alarm call when a fall is detected. IP67 waterproof protection for use in shower or bath. Manual activation by pressing button. Compatible with mobile GPS location tracking solution. Periodic monitoring signals to check the integrity of the system. Programmable sensitivity levels. Used as a pendant for the neck. Replaceable battery. Low battery detection. High stability and sensitivity	Prijs op aanvraag
VESTA-072	EZ-1 DECT		EZ-1 DECT module, compatible with Climax MX series medical alarm panels to incorporate DECT devices such as voice extenders or talking pendants. DECT device integration. Easy installation. Compatible with the Climax MX series. Frequency 1800-1900 Mhz. GFSK modulation	Prijs op aanvraag
VESTA-080	Fall Sensor		User drop sensor in VESTA by Climax collar format. Activates the alarm call when a fall is detected. Manual activation by pressing the button. Periodic monitoring signals to verify the integrity of the system. LED indicator. Used as a neck pendant. Low battery detection. High stability and sensitivity. IP67 waterproof and dustproof standard	Prijs op aanvraag
VESTA-082	WADC-1		VESTA by Climax receiver and transmitter / door contact for wander prevention. Monitors the opening / closing of doors and detects movements around them. Compact design. Adjustable sensitivity levels. Easy and flexible installation. To install on the door frame. 3x1.5 meter coverage pattern for each zone. Ideal for protecting doors and hallways	Prijs op aanvraag
VESTA-079	JLPD-F1		Stylized VESTA by Climax pendant. Simulated burgundy red jewel as an emergency button. Long-lasting battery. Wide RF range (depends on frequency). Reliable signal transmission. IP68 waterproof and dustproof standard	Prijs op aanvraag
VESTA-090	CW-1F		Stylish personal emergency watch. Alerts by pressing the button. Reliable signal transmission. Low battery detection and supervision. Multiple bracelet options. Comfortable design. Ladies model	Prijs op aanvraag
VESTA-091	CW-1M		Stylish personal emergency watch. Alerts by pressing the button. Reliable signal transmission. Low battery detection and supervision. Multiple bracelet options. Comfortable design. Men's model	Prijs op aanvraag
VESTA-081	WTRVS-15-FS		VESTA by Climax emergency voice communicator / pendant necklace. Generates an alarm call when a fall is detected. The built-in microphone and speaker allow you to speak to the Central Station. Post alarm voice tracking after an emergency call. Panel power saving function. Compact and easy to use. Used as a pendant. Compatible with VESTA by Climax medical alarm panels. IP67 waterproof and dustproof standard	Prijs op aanvraag
VESTA-092	VRCP-DECT		Emergency voice extender via DECT. Voice recognition to trigger emergency calls using preset voice commands or keywords. Voice messages in English. One-button design to request help. Provide high-clarity, hands-free, two-way communication via VESTA-072 (EZ-1 DECT). Excellent voice quality and long range. Built-in microphone and speaker. Automatically answer the incoming call without pressing the button. Large alarm button for easy identification. Placement	Prijs op aanvraag
VESTA-195	PWSR-P2		Patient ambulation system receiver. Solution to protect residents and patients who require supervision. 24/7 supervision. Two antennas connected via telephone cables. Alarm in case a patient or resident wanders in places that are potentially unsafe for them.	Prijs op aanvraag
